TRANSFER OF NUCLEOTIDE SEQUENCES AND/OR AMINO ACID DISCLOSURES

Sir:

The paper or compact disc copy of the Sequence Listing in the above-identified application, is identical to the computer readable copy of the Sequence Listing filed in application 11/388,733, filed March 24, 2006. In accordance with 37 CFR 1.821(e), please use the last-filed computer readable form filed in that application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the instant application. A paper copy of the Sequence Listing is attached herewith for incorporation into the specification.

The undersigned hereby states that, to the best of his knowledge, the computer readable form of sequence information and the paper copy of sequence information are identical to each other and to information set forth in the application as filed. No new matter is believed presented.

Respectfully submitted,

FULBRIGHT & JAWORSKI L.L.P.
